

Dear Friends:

The Federation of Vermont Lakes and Ponds Board Members cordially invite you to attend the Federation's Annual Meeting:

Monday, July 25, 2011
at The Steak House*
1239 US Route 302, Berlin
9:00 a.m. until 3:30 p.m.

Registration begins at 8:30 a.m.
Coffee/Tea and Lunch Provided

Commissioner of Environmental Conservation **David Mears** will kick off the meeting this year. During the day, updates will be provided by VT-DEC Lakes & Ponds Section representatives as well as our member lake associations (see specific update questions on the reverse side of this invitation).

ALSO:

John Magnuson, Professor Emeritus at the University of Wisconsin, will speak on *Potential Impacts of Climate Change on Lake Systems*, and **Justin Johnson**, Vermont's Deputy Commissioner of Environmental Conservation, will describe *Current Predictions of How Climate Change Will Affect Vermont's Waterways*. There will be an opportunity to discuss steps toward mitigation and adaptation.

To download a complete agenda, go to www.vermontlakes.org and click on "Upcoming Events." Proposed changes to FOVLAP by-laws are included there.

*The Steak House is midway between Barre and Montpelier on the west side of the Barre-Montpelier Road. If using GPS, be sure to include "Berlin VT 05602" with "1239 US Route 302."

RSVP by July 15, 2011 to make sure you're included in the lunch count!

Each year our member lake associations present brief reports of their activities. This year we encourage each lake to focus on *one conservation issue*. What is the issue? Who is involved? What are your association's hopes for the future? How might FOVLAP and the DEC Lakes & Ponds Section support your efforts?
